Easthouse Software Limited ("us", "we", or "our") is committed to maintaining your privacy and individual rights on the internet. This Cookie Policy ("Policy") explains how we, our partners, and users of our services deploy Cookies ("Cookies"), as well as the options you have to control them. Please read this Policy carefully before using our Website ("Website"). This Policy should be read together with our Privacy Policy and our Terms of Use.

1.   What are Cookies?

Cookies are small pieces of data that are stored on your computer and in your browser. Consent is required for Cookies to be placed on your computer or browser and you can accept and reject Cookies. Cookies are widely used in order to ensure the Website is running effectively and to give you a tailored experience. They can also be used for other purposes, such as for analytical or marketing purposes.

Cookies set by us are classified as first party Cookies. Cookies set by other parties are classified as third party Cookies and are either for a single visit ("Session Cookie") or for multiple repeat visits ("Persistent Cookies").

2.   Why do we use Cookies?

We use Cookies for a number of reasons. Our Website uses analytical Cookies to collect information about how visitors use our Website and functionality Cookies to personalise our content for you and remember your preferences.

We also use cookies to:
- Provide you with any information you may request from us;
- Analyse your use of our products, services and Website;
- Provide you with a personalised experience whilst using our products, services and Website.

3.   What type of Cookies do we use?

Below is a detailed list of the Cookies we use on our Website. We classify these in the following categories:
- Strictly Essential/Necessary Cookies
- Analytical/Performance Cookies
- Functionality Cookies

3.1. Strictly Essential/Necessary Cookies

Strictly Necessary Cookies. These Cookies are required for the operation of our Website. For example, they allow us to display our Website in the proper format and language, enable you to log into secure areas of our Website and make use of e-billing services.

3.2. Analytical/ Performance Cookies

Analytical/Performance Cookies. These Cookies allow us to collect information about how visitors use our Website, how long visitors spend on our Website and Website traffic. This helps us to improve the way our Website works. For example, by ensuring that users are finding what they are looking for easily.

3.3. Functionality Cookies

Functionality Cookies. These cookies are used to recognise you when you return to our Website. This enables us to personalise our content for you, greet you by name and remember your preferences. For example, to save user language preferences.

4. Cookies Table

The table below shows the name, purpose and expiration date of the Cookies we use on our Website.
